GOOD JOB V-MAG READERS!

Dear *Voluptuous*,

I opened my copy of the June '10 issue and I wanted to write in, not to your fine magazine, but to the other readers and say, "Good job V-mag readers! Way to vote the right way and not fuck up the Newcomer of the Year award! (Perhaps for the first time in a very long time, guys!) Ashley Sage deserved the win and thanks to you, the fans, she got it." That was all. Thanks for the good work.–H.O., Corpus Christi, Texas

MARIA MOORE WAS ROBBED!

Dear *Voluptuous*,

I just received my copy of the June '10 awards issue. As always, you have done a great job on it.

As I flipped through it, what I had more or less expected had transpired; Ashley Sage Ellison was newcomer of the year and Karina Hart was model of the year. I was not surprised.

Then I came to page 36 and my heart leapt! At last, I thought, Maria Moore has won Plumper of the Year. But then I looked again at the small print, unbelievably, it said first runner-up. NO! First runner-up, surely this could not be possible. But yes, once again Maria Moore has been robbed of the recognition she so richly deserved. What made it worse was the accompanying eight-page pictorial tribute only served to reinforce the injustice of it all. How could a woman that beautiful only merit first runner-up?

Don't get me wrong, you did a great job of showing just how special she is, but when someone that incredible misses out on the top accolade, it is very hard to take.

All I hope is that there are voters out there now looking thought those eight pages of perfection and thinking, "Boy, did I screw up this time!"

Well, it might not say it in print, but as far as I am concerned, Maria Moore is still well and truly number one.

I thought I had all of Maria Moore's pictorials in V-mag and *XL Girls*, but I don't recall ever seeing that shot of her in the white bikini on page 37 Had that pictorial ever been published? If not, why not for goodness sake! She looks absolutely gorgeous in it.
–C.J., England

Dear C.J.: You have a good eye for detail, my friend. I am also a huge fan of Maria Moore's and when I knew she was first runner-up in the June '10 mag, I dove into our photo archive for rare shots of her and I found a stash of about six photos that were shot as covers. These shots were going to accompany the Voluptuous *Oct. '03 pictorial of*

"It feels amazing to know I have so many fans that voted for me!

I would like to say a big congratulations to all the other gorgeous models that were up for the award and thank you to every one that voted. I'm totally amazed!"

-Ashley Sage
on her 2009 Newcomer of the Year win.

These photos of Maria Moore were never published...until now! Enjoy them V-mag readers!

Maria in the pink bikini. (Hell of a pictorial, that one was!) Well, all of you collectors know that she ended up in the pink bikini bottoms on the cover, and these frilly, white panties shots were never used…until now. And because I am such an amazing editor, (And because I don't need any excuses to run multiple shots of Ms. Moore!) I am going to give you those series of photos right here and now. You're obviously a fan and who better than Maria's fans to get to see these pics of her, right? So enjoy these shots. I know I did!

SCARLETT ROUGE WAS ROBBED OF THE WIN!

Dear *Voluptuous*,

It was with a very heavy heart that I voted for Ashley Sage for Newcomer of the Year. Not because I don't think that Ashley Sage is worth it. She is. She is beautiful. She has an incredible body. She is the kind of girl you fantasize about. But I wasn't happy casting my vote for Ashley because I would have rather voted for my favorite newcomer, Scarlett Rouge. Scarlett is the perfect girl for me. She is pretty, she is wild and she looks like she likes to fuck all night long. I would have much rather voted for Scarlett. Unfortunately, she was not nominated, which was, in my mind, a bad call on your part. I fantasize about Scarlett constantly. My favorite jack-daydream is that I come home from work and Scarlett is laying on my couch, naked, ass up and smiling at me. She is lying on her plump belly and her tits are mashed up, almost to her chin. She and I just fuck on the couch. I don't even

Scarlett Rouge has quickly become a V-mag reader fave. This shot of her face down and ass up is for reader and fan, J.B. in Charlotte, North Carolina. Enjoy this hot shot, buddy!

KNOCKIN' NIPPLES! A+!

Dear *Voluptuous*,

I watched the multiple talents of the 10 busty babes in your top-notch feature, *Knockin' Nipples*. I just had to write in and say that the chemistry between all five couple worked very well. It made me wonder, will there be sequel to this lezzie flick? Because to me, there is nothing hotter than top-heavy lezzies doing nasty things to one another. It is one of the biggest turn-ons for me. I would love to see Michelle May and Suga Squirtz paired together in a lezzie scene. That would be incredible! Keep up all of the great work.–C.W., Knaresborough, Newcastle, England

K-JUGS IS JACK-TACULAR!

Dear *Voluptuous*,

Just had to write in praise of your new XXX movie *K-JUGS*. I don't buy many *SCORE* Group discs as, living in the UK, I find the shipping costs to be quite expensive but from the moment I

Most V-men enjoy seeing busty gals in hot, lezzie action. C.W., a reader from England, would like to see Suga Squirtz and Michelle May go at it.

Renee Ross, Samantha 38G, Brandy Ryder, Reyna Mae: The cast of *K-JUGS*.

first saw the trailer for this flick on *eBoobStore.com*, I knew I had to have it no matter what. Normally when I obtain a new disc I file it for later viewing but *K-JUGS* came straight out of the cellophane and into my player, such was my eagerness to start jerking off–and, boy, was it worth the wait! I have well over a thousand XXX movies in my collection and I have to say that *K-JUGS* easily ranks among the best I've see. But then I knew it would, thanks to the absolutely stellar cast you guys managed to assemble for this production. Never in the history of porno has so much Grade-A tit meat been stuffed on to one DVD.

Every girl turns in a legendary performance but special mention must go to Samantha, whose sexy, slutty commentary on the unfolding action just elevates it to a higher plane. Also Brandy Ryder, who, apart from having a knockout body, keeps her boots on during sex, which will always win points from me! But the biggest surprise has to be Renee Ross–because I never expected to see her in hot suck-and-fuck action quite so soon. I remember her debut pictorial in the October '09 V-Mag where I thought she posed quite modestly, so to see her doing the kind of nasty shit she gets up to in *K-JUGS* was a revelation—not that my cock was complaining! Her three-way with Samantha and Mr. Bosworth was unbelievable. How can one motherfucker be so lucky? I hope you didn't pay him as well!

It's one thing to see these girls in still pictures but to witness that tsunami of tit-flesh bouncing around in Hi-Def, XXX video is to sink to your knees and thank God you're a guy. I'm splitting

Bombshell Bailey Santanna also stars in *K-JUGS*, in a raunchy XXX scene!

Mianna Thomas

Lilli Blue

Mianna (*above*) gets an A+ for sucking cock. And she goes wild when her tatas get drilled. And newcomer Lilli Blue (*left*) is a curvy babe with a round, juicy ass. She spreads her pussy lips open to let a dick in, then grinds and wiggles all over it. The harder she gets fucked, the crazier she gets. She's so horny that she lets this guy fuck her tight ass! And Rose Valentina (*right*) busts out of her lingerie while sucking cock and balls and fucking. Her guy screws her hard, but she's built to take a pounding, and asks for him to fuck her harder. hairs here, but here's a couple of suggestions for the sequel (You are doing a sequel, right? Tell me you are!). I think there needs to be anal. I also think there needs to be more close-up camera work. And please get Cherry Brady on board! 'Nuff said.–K.S, via the Internet

ARIANNA SINN: SELF SUCKER

Dear *Voluptuous*,

I just got an eyeful of Arianna Sinn in your March '10 issue and all I can say is BRAVO! What an amazing woman. I loved the fact that she got soaking wet in her pictorial. Out of all the hot pictures that you guys put in the magazine, the ones where the girls are in water are my favorites. And now, Arianna's layout is number one in my book. I love the way a girl looks completely wet and ready to fuck. Oh, and the picture of her with that mesh thing over her tits with her nipples hanging out…genius! But my favorite pic was when she stuffed both of her tits in her mouth and you can see her biting them. WOW! That was what did it for me. I imagined Arianna on my dick, riding me and doing that and I came all over the place. She's a winner!

But then again, you gusy always find the best big-ttited girls for us to jack to. Good find, V-mag! I can't wait to see more of this stunner in tots of upcoming issues. It would be fine by me if you did an entire issue of just Arianna. Probably never going to happen, but a guy can dream. –G.S., Albuquerque, New Mexico

SCARLETT SHOULD HAVE WON NEWCOMER FOR '09

Dear *Voluptuous*,

So I just got my copy of the June '10 awards issue and I want to complain about two things. (Actually, I should say thank you, first. The issue was great and the girls were knockouts. All of them!) The first is that you guys fucked up by not nominating Scarlett Rouge, who in my opinion is the greatest newcomer you have had in ages. The second was

not letting her win by write-in vote. I am sure you guys fucked this whole contest up. Scarlett Rouge should have won. I am disappointed. She and I are both form Buffalo. I was cheering for my hometown girl. She better be nominated next year!–H.K., Buffalo, New York

LANEA LOVE IS HIS LOVE

Dear *Voluptuous*,

I keep reading V-mail in your mag expecting for there to be a hundred letters about what I think is one of the hottest layouts you've featured in a long time; Lanea Love's debut in the February '10 issue. Holy crap! I about keeled over when I saw her for the first time. I don't think I have seen a hotter Latina in a long time. Why are the readers not as impressed by her beautiful, tan dugs as I am? They are ripe and perfect for sucking on. I bet you they taste sugary and sweet, like burnt sugar! (I would sure like to get my mouth on one of those titties and find out for myself!) Lanea is so hot! I think she is mouthwatering. She is so sexy that I am pretty sure that she could melt butter. You could put a pat on her nipples and it would sizzle! I mean, there is a photo in her pictorial where she is squeezing her tits together and you get a close-up look at her big, round nipples and it is one of the greatest shots I have come across in your magazine. I wish I could reach into her photo and roll one of her nipples in-between my fingers, just to hear her moan. I think you guys should make a DVD of just

Ripe in Red!

Karla James

Karla James' debut in the July '10 issue drove boob-men everywhere wild! This British 22-year-old is not only beautiful, but is also sporting 34G's that are so lush and ripe that they'll make your cock drip! These photos were taken in Spain while Karla soaked up some rays by the pool in this string bikini. We know…red is your new favorite color!

Karla loves to wear skimpy clothes that show off her curves and bountiful bosom. "In the summer I flaunt my breasts and figure, wearing skirts, vest tops and high-heels or sandals. I design my own bikinis and I love wearing them because I can get a sexy tan! Plus I can save my white bits for that special someone!"

And this multi-talented lady doesn't just design clothes to show off her rack…she likes to dance and shake her big boobs, too! "I would love to travel to Puerto Rico and Havana (Cuba) and learn how to dance Salsa. My life revolves around music and dancing. It's a big part of my life and who I am. I love dancing! It's my favorite hobby."

Ashley Sage Ellison

The last time we saw Ashley in the June '10 issue, she was poolside and celebrating her 2009 Newcomer of the Year win. This bedroom-eyed, blonde bombshell said that she was bowled over when she found out that she had beat out models like Michelle May and Victoria Lane. "It was like a dream come true for me. I think that I have the greatest fans in the world!"

It's not hard to see why Ashley was voted the hottest V-mag Newcomer because her titanic naturals are a sight to behold. However, boob-men should take a gander at her perky, bubble butt. What tit-lover wouldn't love to come home to Ashley spread open and waiting for some loving? Those pale, plump ass cheeks need to be spanked until they're pink!

Ashley, (You have to love that cheeky grin on her face!) is a nice girl who you can take home to mom. (And your dad will love you for it!) Carrie may like anal, but she also needs her tits worshipped. "It's not all about my ass. My nipples are pierced and are very sensitive. A guy should pull them and lick them, too. I get off when a man wants to caress and tease my entire body."

Everyday musings by a big-tit connoisseur

By Dave Rosenbaum

The ins and outs of the red-hot dildo debate.

I'd like to start out by discussing one of the letters that's in V-Mail this month. It's from K.S. of the United Kingdom, and he writes, "I'm a long-time reader and have recently come to the conclusion that I've had it with dildo-insertion shots. I never used to mind them back in the early 2000s when it was a novelty, a few such shots casually straying into solo pictorials as a tester for the full-on hardcore that would soon follow, but now the use of several dildo shots to close out a pictorial is starting to have a wearying air of inevitability about it."

I wrote about this on the *SCORELAND* Blog and said, "In a way, I can see what K.S. is saying. I remember when newsstands adult mags started showing dildo and insertion pics for the first time. They were shocking! "A girl is doing this…on the newsstand?" Very hot. And, as a rule, almost everything is better in video than it is in still pictures. But I think an across-the-board ban on dildo pics wouldn't sit well with a lot of you." That seemed to be true because a subsequent poll on the *SCORELAND* Blog revealed that only 27% of 380 respondents (A reasonable sample size.) didn't want to see dildos while 48% wanted to see them. The rest didn't care one way or another.

As you can imagine, "Dildo or no dildo," is a regular topic for debate here at The *SCORE* Group. Our primary objective is always to please the readers and website members, and we have no desire to give them what they don't want to see. But, then again, we can't please everyone. At no time will everybody love 100% of what we do. The trick is to please everyone most of the time.

Most men preferred no dildo in a photo.

So, dildos: I don't think anyone would complain about the use of dildos in solo pictorials (nobody really complains about them in videos) if the photos were always done the way they wanted them. But what does every man want? Everyone has their own idea of what's right. Here's mine:

1. The dildo should be flesh-colored, clear or black. No blue, red, pink or yellow dildos. Why? Because a real man's cock is not red, pink or yellow (And if it is, he needs to see a doctor immediately!). The dildo should always be a surrogate for a cock.

2. Along the same lines, no metal, silver or gold dildos. They're shiny and cold-looking. And, of course, none of us have gold, silver or chrome cocks.

3. The dildo can't be tiny. It must be at least thick enough to stretch the girl's pussy because that stretch–the sight of her pussy lips wrapped around the dildo–is what

Biggest naturals ever?

I thought I had seen it all. I thought I couldn't possibly look at a girl and be amazed by the size of her tits. But I was wrong. I'm amazed by Kristina Milan (who debuts in this issue), but I'm even more amazed by Miosotis, who debuted in the October '10 issue of *SCORE*.

Like Kristina, Miosotis is from the Dominican Republic. Like Kristina's, Mio's breasts are naturals. But while Kristina is voluptuous, Miosotis is slim 'n' stacked like no natural girl I've ever seen. We're talking KKK-cup tits (bigger than some of the largest augmented girls) and a 28-inch waist. Her chest is 22 inches larger than her waist! You have to see her to believe her.

MAD ABOUT CHRISTINA

Finally, proof that the rest of the world is catching on to what V-Men have always known: full-figured women are hot. The May '10 issue of *Esquire* named Christina Hendricks of TV's *Mad Men* the sexiest woman alive. This came on the heels of the beautiful, big-titted, big-assed, wonderfully not-skinny redhead appearing on the cover of New York magazine next to the headline, "Christina Hendricks and the return of the voluptuous."

The return? We didn't know it'd left. Probably because real women have been in *Voluptuous* for almost two decades!

By the way, Christina: V-Mag is where you really belong!

Gentlemen, meet Kristina Milan, a caramel stunner whose J-cup bombs are magnificent and MILKING! Her tan tatas are so big that they annihilate this low-cut dress she's wearing, and we like it!

Bare Facts

Kristina Milan

Birthday: February 25, 1986
Age: 24 **Height:** 5'6"
Weight: 148 lbs. **Bra:** 40J
Measurements: 50-32-36
Lives: Dominican Republic
Occupation: Model
Hobbies: Going out to clubs, having drinks and dancing.

While on location in the Dominican Republic, Kristina told our photographers quite a bit about herself, including how she likes to be fucked. "I like to be on top because men can fondle my big breasts that way, but I also like to be on all fours with my ass up in the air. I like it when a man fucks me hard from behind and holds on to my breasts. I like the penetration."

Another fun fact about this busty island babe is that at the time that we shot this pictorial of her, she was lactating. Scratch that…her breasts weren't just lactating, they were overflowing! They were so heavy with milk that they dripped all over her body with every movement she made. For now, Kristina says that modeling makes her happy and that she will continue to show the world her massive melons because it makes her feel sexy. Those of you that want to get a glimpse of her milking jugs in action should log on to *XLGirls.com* and see them drip in HD video. We promise, you'll be glad you did!

"Some girls have sex and they treat it like it's a chore. Not me. I have sex and it's, like, a treat for me. I enjoy it. I like to fuck. I don't want to make love. I don't want to cuddle. I just want to get as nasty as I can and be loud and wild," Scarlett said. "That is why being a porn star is like a dream come true for me. It's something that I have always wanted to do and I am a really sexual person. Doing what you love is a plus and I love being fucked, so it's a win-win situation for me. My ultimate fantasy is to fuck two men at the same time. I really hope it happens, soon!"

And even though she has a nice, soft rack for coating, Scarlett says she rarely gets requests to have her tits jizzed on. "I like it when a guy cums on my tits, but most guys I have been with prefer to cum in my mouth." And just why would anyone in their right mind pass up an opportunity to jizz on Scarlett's E-cup jugs? Because she likes to swallow up their load before they even get a chance! "It's, like, what I am working for when I am sucking and stroking a guy's dick. I want that cum in my mouth and I get it. I like to swallow cum. I think it tastes good."

JUNE '10 AWARDS ISSUE HAD AN AWFUL LOT OF XXX!

Dear *Voluptuous*,

There was an awful lot of hardcore for an award's issue, but nevertheless, I thought that I would share my comments since I made my voice heard on the ballot as well. First and foremost, congrats to all the winners. As I recall, for Newcomer, vote went to Ashley Sage Ellison. She was obviously the best out of the lineup. It was no surprise that it came down to Ashley and Rene Ross. One of Ashley's advantages was that her debut was months earlier than Renee's. This made the difference for the win, I think, because Renee is just as strikingly erotic as Ashley. But Ashley was destined to win. She already had enough in the bag to take the crown. That is why Renee couldn't catch up and made first runner-up. But you have to give credit where credit is due and Ashley has displayed such grace and easiness in front of the camera, that she deserved the win. You look deep into her eyes and you'll see a confident woman. She posed like she owned the Newcomer crown and she managed to do it without showing her private area either. That's what makes her a winner.

But what I have to ask is, will Ashley show down below in 2010? Will we get a glimpse at her pussy? She might have to show it eventually because she might not be able to win Model of the Year if she doesn't. Models like Nicole Peters and Kelly Kay won Newcomer of the Year realized that they had to move on to the next phase of their careers. That meant that they had to show coochie. As a result, Nicole Peters won Model of the Year in 2005. Ashley may have to show us the goods if she plans to win Model of the Year in 2010.

Moving on to Model of the Year winner, Karina Hart. I must say that Karin has done plenty of nice pictorials, but this one was one of her best. The outdoor scene was spectacular and Karina looked great with curly hair, too. The

one thing that Karina has is star quality. And she has beauty and a candid personality, too. She is always enthusiastic no matter what she is doing and she also looks a little bit naughty. I think she is one of the hardest working models to date, so I congratulate her on the win.

Meanwhile, Christy Marks made the first runner-up. Maybe because she may have overdone it with all the hardcore, boy-girl stuff she did in the last year. Maybe that did her in with readers. Maybe Christy should try doing less hardcore in 2010 and maybe she will win. Except she is going up against Karina Hart and Ashley Sage, so it will not be an easy task. As for me, I voted for Natalie Fiore. I guess it helps that I find it admirable that Natalie goes on hiatus and then comes back with even bigger G-cup boobs. I thought that was impressive. Especially when she didn't need bigger boobs. But I guess even that couldn't stop Karina Hart.

And now moving on to the Plumper of the Year category. It was really sad to see one hardcore veteran knock off a soon-to-be hardcore veteran as in the case with Samantha winning over Maria Moore. Maria went on hiatus for a little bit and then came back with a totally different agenda and that agenda was lots of hardcore. What did she take when she was away? Horny pills? I feel like she has done more XXX pictorials now than solo ones.

I didn't vote for either of these ladies, though. My vote went to Haydee Rodriguez I have a crush on Latinas, especially if they have G-cup naturals. I went bonkers after seeing Haydee for the first time. But truth be told, I also considered Scarlett Rouge. She had two very nice layouts in your magazine and she looks so youthful and slutty at the same time. She looked very fuckable. I also liked Scarlett's floppy E-cups. But not more than I love Haydee's floppers. They look so suckable. I would tear those things apart! But even though she is built for banging, she also looks very down-to-earth. In fact, I could see myself in a serious relationship with someone like Haydee. She may not have won, but she won my heart.–S.M., Baltimore, Maryland.

MORE BLACK MALE TALENT IN YOUR MAGS & DVDs!

Dear *Voluptuous*,

First and foremost, I would like to thank you for taking the time to read

this letter. I have been a fan of *Voluptuous* Magazine since it's inception. The oldest magazine I have is the Dec. '96 issue with Thalia, Linsey Dawn McKenzie and Olga in the cover! Those were the golden days! I just recently broke down and became a subscriber after all these years. I apologize for the delay. I am explaining this to you because I wanted to give you my background as a supporter of your publication before I go into my gripe with the magazine and The *SCORE* Group.

For the record, I love all the women you feature, my favorites from the old-school era are Via Paxton, Chloe Vevrier, Thalia, Samantha 38G and Michaela, just to name a few. But the new generation of V-Girls is holding up the light very well, too. Karina Hart, Ashley Sage, Miranda (Good lord! The things I could do with her!), Maria Moore, Cherry Brady, Gia Johnson, Selena Castro, Haydee Rodriguez and Kerry Marie. All of these ladies are attractive and lovely. There are more to name, but we would be here all day. The XXX work the ladies do, I mean it's so breathtaking to see beautiful, everyday, real women in natural action.

All that said, I would like to say that as a black male, I feel so alienated. Yes, that is my gripe. Why is there no, if very little XXX scenes in the magazine and in your DVDs with black male talent?

The SCORE Group features plenty of black women in the magazines and DVDs you produce, however, they are usually featured with white males. This is totally fine with me. I understand that white men are attracted to black women. But black men are attracted to white, Hispanic and Asian women! Why no reciprocation for your black male audience? Like I said earlier, I am a loyal subscriber, but I feel like I am signing off by ignoring that fact. Most of your black and Hispanic women are featured in the magazines, but 98 percent of their scenes are performed with white makes. Now, you do have an interracial MILF DVD series called *Muthas Who Luv Brothas*, but most of these women are not in the magazine I subscribe to.

I would love to see any of the aforementioned women in a scene with a black male. Why? Because I am a black male and I would like to relate to what I am watching. The fantasy of seeing a guy like me hooking up with one of

Veiny Boobed Vixen

Anna Beck

Anna made her big-boobed debut in the April '10 issue and the response was overwhelming! We received countless letters praising both her G-cup tits and her pretty face. But there was one thing that all of her fans complimented, sometimes repeatedly in each letter they mailed in; Boob-men everywhere went nuts for this pale stunner's veiny tits.

Fans loved the way Anna's pale skin was the perfect backdrop for the roadmap of blue-colored veins that cover most of her breasts. "Anna Beck's April V-mag pictorial was an instant winner for me. There's something utterly sexy about those veins tracing their way across huge, milky white tits, especially when they continue unbroken through the areolae," said Anna fan, Frank, via the Internet. This once-shy dental assistant may have had reservations about posing initially, but after seeing the praise from her fans, she said she was happier than ever to pose.

"I was nervous at first because I had never done anything like this, but once I saw that I had fans and that they loved my body, I was very excited to pose again. Reading all of the letters and the words of encouragement made me feel very beautiful," said Anna. And how has posing in V-mag affected her sex life? "I have more lovers than ever before. And not just men who want to have sex with me. No, these men want to spend hours teasing, pulling and licking my sensitive nipples. They want to rub cream into them and massage them. I have never had my breasts so cared for. It has made my sex life 100 percent better!"

USE MINIMAL DILDO PLEASE! IT'S ABOUT THE PUSSY!

Dear *Voluptuous*,

As you know, I'm a long-time reader (13+ years now) and have recently come to the conclusion that I've had it with dildo-insertion shots. I never used to mind back in the early 2000s when it was a novelty, a few such shots casually straying into solo pictorials as a 'tester' for the full-on hardcore that would soon follow; but now the use of several dildo shots to close out a pictorial is starting to have a wearying air of inevitability about it.

I understand (I think.) what you're trying to do with said pics. Presumably, the whole idea is to say, "Wow, look how hot and uninhibited this chick is! Stuffing herself silly for your onanistic pleasure!" And, of course, there's nothing wrong with that sentiment, except it overlooks one critical factor–that that plastic fuckstick all but obliterates the view of sweet, succulent pussy.

Now, I appreciate you have to try to appease all readers–though I'd be willing to bet you've never received one single letter or email asking for more dildo shots (I imagine there are probably guys who mind them less than me but I honestly can't see anybody seriously thinking we need more.). All I'm saying is could we possibly ease off a bit on the dildo front? I enjoy 'spreading' shots (Incidentally, aren't these just as uninhibited as inserting a dildo?) but at the moment they seem to be losing out big-time to the plastic plague. Whenever I start looking at a new solo pictorial in one of your mags, I always do so in the hope that it will climax in a spectacular view up the model's birth canal but,

makes a dildo shot hot.

4. On the other hand, the dildo shouldn't be too big UNLESS THE MODEL CAN HANDLE IT! Super-sized dildos tend to obstruct our view of the pussy. Which brings me to No. 5.

5. The pussy can never be obstructed by the fuck toy or the girl's hand, leg, fingers or dildo. Like I said before, we should be able to see her pussy lips wrapped around the dildo.

6. Her pussy should be wet. I don't care if the model uses lube or her own, natural juices…nobody wants to fuck a dry pussy. It should glisten.

7. In the perfect dildo shot, the girl pulls the dildo to one side so we can see inside her pussy just a bit. It's also nice when we can see her asshole, too (assuming it's not being filled with a dildo). Also good: a view of her clit.

8. Finally, every pictorial that contains a photo of the girl using a dildo must contain at least one photo (and preferably more) of the girl's pussy without a dildo in it. Two reasons for this: 1. We want to see the girl's open pussy. 2. We always want to see what we're about to fuck.

I suspect that if every dildo photo fulfilled these conditions, there'd never be a complaint. In fact, I'm sure of it.

Well, I wouldn't complain. Like I said, we're all different. What's your idea of the perfect dildo-fuck photo?

Who will be the first to fuck?

Some great girls have debuted this year. Four that stand out are Karla James, Taylor Steele, Arianna Sinn and Jenna Valentine, and I'm guessing that when the votes are in for 2010 Newcomer of the Year, all four of those girls will be near the top of the voting.

Of course, it never takes long after a great girl has made her V-Mag debut for V-Men to start asking, "When is she going to do her first boy-girl?" And in the cases of Karla, Taylor, Arianna and Jenna, everybody's asking.

The truth is, I don't know. I could make a very good guess, but I don't know who's going to be the first of these ladies to ride the baloney pony (assuming that any of them do). But since I was a handicapper in my past life, I'm will-

ing to set some odds. I'm not, however, willing to take bets.

Taylor Steele, 6-5. Taylor has already done her first tits 'n' tugs scene, getting her big, heavy jugs fucked at Scoreland.com for the "On Location Grand Bahama" special, and it's a short leap from hand-job/tit-fuck to full-on hardcore. Of course, some girls never make that leap at all.

Arianna Sinn, 7-5. Arianna is Romanian, and those Eastern European girls aren't shy at all about fucking on camera. She's very sweet, but she's also very horny. She's very, very horny.

Jenna Valentine, 8-1. Jenna has gone on the record as saying that she'll never go all the way on camera, but considering how quickly she has progressed from topless-only posing to spreading her legs and showing her pussy, I'm not so sure about that. Besides, she has a very kinky side. Still, I think she's a bit of a longshot to fuck on film.

Karla James, 15-1. The fact that she hasn't taken off her panties, doesn't spread her legs and is even hesitant to wear see-through panties makes her a very long longshot to make the jump from topless-only to hardcore sex. You could point out that Linsey Dawn McKenzie took six years to do hardcore, but LDM never did topless-only. She always showed her pussy. Karla just might go the route of lookalike Lorna Morgan, who has never even used a dildo. Then again, Karla has a very raunchy mind and is very open to talking about sex, so you never know.

More to fuck, more to jack.

I've been spending my time watching a pre-release copy of *More To Fuck*, a DVD that's still in production. It stars Kaytee Carter, Anna Kay, Destiny Rose, Alanna Ackerman, Tatiana Blair and Melonie Maxx. Kaytee hosts the movie, and the five other girls vie to be a lucky bachelor's wife. You can guess how they do it.

Anyway, I'm mentioning the DVD because it has the hottest big-tit girl-girl I've ever seen between Kaytee and Destiny, full of full-on lezzie kissing, tit-sucking and pussy eating. Not a dildo in sight, and it doesn't matter.

And now you have something to look forward to.

lately, more often than not I find myself gazing at the speed-control on a luminous blue vibe.

By the way, I neither have an aversion to, nor do I feel 'threatened' by dildos and I'd wholeheartedly agree that to see a woman masturbating with one either in the flesh or on video is astoundingly erotic and boner inducing. I just don't think they work anything like as well for still pictures. Hardcore is the same for me–I'll happily jerk myself into a stupor watching chicks going at it on video but in static images...yeah, I'll look at 'em and enjoy the view but I honestly can't ever remember spanking one out to your XXX layouts. It just goes to prove what completely different disciplines–with different effects–still photography and motion video are. –KS, United Kingdom

IT'S NOT ALL ABOUT TOYS! WE WANT TO SEE PLEASURE.

Dear *Voluptuous*,

I want to touch on the subject of dildos in the magazine for a second. For me, I don't need dildos for the visual. If guys want to see the pussy for all its own, so be it. But in my case, I want the dildo for something completely different. What I want is the emotional…I want to see the woman's pleasure.

For me, the dildo and other instruments of vaginal penetration are the means by which I can enjoy a model, thinking I am the one providing the stimulation. If she is honestly enjoying it, getting off, it shows in her shots and videos. That's what I love, even if it blocks a pure shot of her pussy.

Karina Hart was already a favorite of mine for her unreal 40-28-40″ figure just from pictures, equal to the beauty Chloe Vevier's hourglass. But once I saw her videos getting off on one, my lust for Karina went into overdrive. The same goes for the sybian mounted rod, with my favorite dreamgirl Angelina White riding and getting off — both in video, and even in pictures as well.

For women that aren't using the dildo for its intended purpose, delivering their pleasure, I'd say you should-skip it. Because it really doesn't have to be there. But for those that love it, and love to be photographed or filmed taking it, keep it up!–P.V., via the Internet

This is Tatiana's second V-mag appearance, but the first time ever that she rocks a cock on camera. The first thing you should realize when looking at this tan stunner is that she is packing huge G-cups on a tiny 4'10" frame. That means her rack is huge and plush for tit fucking, but that her body is tiny and maneuverable for a vast array of plowing positions. She made her debut in the August '10 issue where she revealed lots of secrets to V-mag in an exclusive interview.

What kind of secrets did she reveal? Tatiana told us that she likes rough, aggressive nipple play, sometimes with clamps and that she can achieve orgasm from having her dugs played with. "I can cum from nipple play. Yes, I can get off on just that. It feels so good that it can make me cum. It's a very intense feeling," she said. She also likes it when guys bite her while she is being dicked down. "I like being bitten a little bit during sex. I just like it when a guy bites my neck hard. It really turns me on! It's good pain." Tatiana used her rough rider skills while smoking this cock in her first XXX movie, *Voluptuous Xtra #12*, available on page 9.

In fact, she demonstrated her versatility by switching up her positions because she wanted to get as much dick in her as possible! "I like to be on top sometimes because I like the penetration. It's how I get off. But when I saw how big this dick was, I wanted it in-between my tits and I told J-Mac to straddle my waist and ram his cock in my cleavage. I sandwiched his cock between my boobs and he shot hot cum all over my tits!"
